**LLANDUDNO**  
**CHAMBER OF TRADE**  
**GROWING BUSINESS**

HAPPY NEW YEAR TO ALL OUR MEMBERS!

2014 proved to be a busy year with Llandudno hosting some great events, including the May air show, triathlon and Wales GB rally, all of which helped extended our trading year.

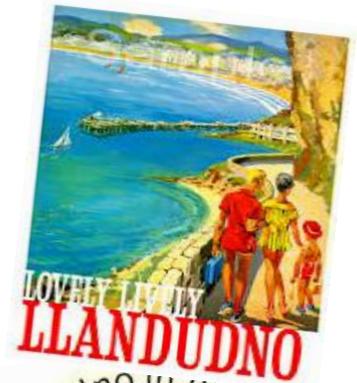

The Chamber of Trade worked hard in 2014 to help with the regeneration of the town.

Chamber members, Looking Glass Drama Group and Isallt homeless accommodation helped with the initial regeneration of the train station, Madoc and Augusta Street.

The team worked with local businesses on painting shop fronts and arranging hanging baskets to be located on the above mentioned areas.

The success of the project was highlighted by both Molly's café and the Wool Corner receiving recognition in Llandudno in Bloom.

With the town overall being one point off Gold! It is our goal to achieve Gold in 2015 with your help.

### Business support benches

We are pleased to announce that The Catalogue Shop and NFU on Madoc Street, have shown an interest in sponsoring a bench each on Madoc Street.

We believe that the benches will offer people a space to stop and rest or enjoy their lunch.

### Ties to Alice

To tie in with the work we carried out in Madoc Street, we will be focused on helping businesses in Upper Mostyn Street to carry out similar work this year.

The planters will help tie into the town's new vision of different quarters - club, diamond, spade and heart. Which link to the Alice in Wonderland story.

### **Witches, tram, chips & brew**

**The Halloween event organised by Fish Tram Chips, the Kings Head and Chamber members. Had a successful second year, and we hope 2015's event will be even bigger!**

### Alice is 150!

2015 marks Alice Liddell's 150<sup>th</sup> birthday, we would love to hear from any businesses who have any ideas to help celebrate this special event.
